**Jesus and the Feminists: Who Do They Say That He Is?** Margaret Elizabeth Köstenberger

This resource provides a detailed survey and critique of various feminist interpretations of Jesus and offers a biblical view of men and women in the church and home.

The feminist movement has affected every aspect of political and social America, and Christians are becoming increasingly aware of how this movement has impacted the church.

The feminist movement has changed the way evangelicals view not only themselves, but also the very Word of God.

*Jesus and the Feminists* begins by offering a brief survey of the feminist movement, revealing the radical misunderstanding of Jesus that has resulted from this movement. Köstenberger then critiques the relevant works of well-known feminist scholars and the ways they interpret certain passages of Scripture related to Jesus and his approach to women.

This practical resource points the way to a better understanding of the biblical message regarding Jesus' stance toward women and offers both men and women a biblical view of their roles in the church and the home.
