What is your definition of success? What are your success principles? Do you have any success stories? What about very successful females? What if you were able to get ideals, and inspiration, from other success people? 50 well known women!

This book contains quotes, sayings, beliefs, basic *do's* and *don'ts* from people who have already achieved success. And these are names which are very familiar to everyone. Celebrities from the world of TV, Movies, Business, etc. It is the second of three books on Successful People.

There are many very successful women everywhere. We see them in our day to day lives. Whether interacting with other people like your relationship, family, co-workers, etc.

**But wouldn't be interesting to get some ideals about success directly from extremely successful, and also very well known, people like:**

**** Oprah Winfrey***
**** Hillary Clinton***
**** Tina Fey***
**** Barbara Walters***
**** Martha Stewart***
**** Ellen Degeneres***

**** And More***

**As well as other phenomenal women from the world of business,
but who's names may not be as well known, like:**

**** The CEO of Kraft Foods***
**** The Chief Operations Officer Of Facebook***
**** The CEO Of Pepsi***
**** The CEO Of IBM***
**** And More***

This book is not some new age philosophy with a lot of brand new terms, new ways of thinking, feeling, and concepts, that you'll need to learn. Theses are basic rules for life that these 50 very successful people say we just simply need to follow.

Many feel that success is a choice. But you have to practice it daily. And this guide was created to help us all do that. Just read through it. Then have it with you for quick access as a reminder.

Plus, since we know that we all are very interested in the accomplishments of famous celebrities, highly successful entrepreneurs, etc. This kindle book also contains their bio information.

This is a very unique kindle book. At the time it was created there are no other kindle books like it at all. However, it is a quick and easy read. It is not a 600 page college text book with a lot of technical talk, and scientific terms, that will require a large commitment of time just to read it all.

It gives you the quotes, sayings, ideals, and biography information, from these extremely successful women. Hopefully it will also give you ideals, another point of view, and inspiration. You can then apply it to help you achieve whatever your personal goals for success are.
