Josie is independent and fierce. She may flirt with boys or kiss them, but it doesn't mean anything, not even with Michael, who's more like a friend-with-benefits. So how can she explain what happens when Carson Gold goes after her? Carson Gold, the hottest senior, the one everyone secretly watches. . . .

Maybe it's the same thing that causes all the girls to stare as he walks by. Or maybe it's something between them, something just he and Josie share.

Could *you* resist?

It's too much, when love finds you and pulls you under. It's too much, even for Josie.
