Catch Me If You Can...: A Story of Alien Abductions and Culprit Plunder Thought Continuum
i could feel pulses of energies emanating from the light … tutoring my being …
coercing measure for measure my breath and beat for beat my heart …
a corporeal bypass keeping kilter of my anatomy against the siege of my endocrine system …
preventing me from going into shock …
which was very important …
if i went into shock mytelepathic sense would shut down …
i knew that …
i knew that in the same astonishing way that i knew where i was … who these people were … what the blue lights did and ...
what was about to happen next …
