Arthur Miller

Death of a Salesman (Viking Critical Library) Arthur Miller
The Pulitzer Prize-winning tragedy of a salesman's deferred American dream, presented here with enlightening commentary and criticism

Willy Loman, the protagonist of *Death of a Salesman*, has spent his life following the American way, living out his belief in salesmanship as a way to reinvent himself. But somehow the riches and respect he covets have eluded him. At age 63, he searches for the moment his life took a wrong turn, the moment of betrayal that undermined his relationship with his wife and destroyed his relationship with Biff, the son in whom he invested his faith. Willy lives in a fragile world of elaborate excuses and daydreams, conflating past and present in a desperate attempt to make sense of himself and of a world that once promised so much.

Since it was first performed in 1949, Arthur Miller's Pulitzer Prize-winning drama about the tragic shortcomings of an American dreamer has been recognized as a milestone of the theater. This Viking Critical Library edition of *Death of a Salesman* contains the complete text of the play, typescript facsimiles, and extensive critical and contextual material including:

- Conflicting reviews about its opening night by Robert Garland, Harold Clurman, Eleanor Clark, and others
- Five articles by Miller on his play, including "Tragedy and the Common Man" and his "Introduction to *Collected Plays*"
- Critical essays by John Gassner, Ivor Brown, Joseph A. Hynes, and others
- General essays on Miller by William Weigand, Allan Seager, and others
- Analogous works by Eudora Welty, Walter D. Moody, Tennessee Williams, and Irwin Shaw
- The stage designer's account, presented in selections from *Designing for the Theatre* by Jo Mielziner
- An in-depth introduction by the editor, a chronology, a list of topics for discussion and papers, and a bibliography
