Hard Evidence: Case Studies in Forensic Anthropology Dawnie W. Steadman
For courses in Forensic Anthropology and Forensic Science. An essential supplement to a forensic anthropology text, this reader provides case studies that demonstrate innovative approaches and practical experiences in the field. The book provides both introductory and advanced students with a strong sense of the types of cases in which forensic anthropologists become involved, as well as their professional and ethical responsibilities, the scientific rigor required, and the multidisciplinary nature of the science.
