Seated Above Looking Below

The Beginning
"On a summer's Eve in 1976 I had a spiritual awakening. After weeping through the night I awoke the next morning and heard the birds really singing for the first time. I also felt inwardly enriched. The living waters of poetry began to flow like a river and these poems are the result."
- Bobby Brown

What Others Are Saying
"I first heard Bobby Brown's wonderful poetry at an Open Mic poetry reading. One evening while I was listening to him share his writings he said some words that touched my heart and changed my life forever. Bob's words took me on a spiritual journey that led me to come to know my Lord and Savior Jesus Christ! Since that time we have become good friends and his poetry continues to bless my life and I'm sure it will edify everyone else who reads it."
- Rosemary M.

The Journey
"Seated Above Looking Below" contains about 200 poems that will take you on a journey, a journey that wanders through the seasons of life and ends on some deep spiritual truths. This is Bob's first published book. Interestingly enough, the book title was inspired by scripture - Eph 2:6 which states "And God raised us up with Christ and seated us with Him in the heavenly realms in Christ Jesus." This is an incredible piece of scripture because it show's Gods abundant grace towards us - but note the focus is on God; He raised us up and He seated us with Himself. Also, note the tense of the verse! Read it again!

My Inspiration
A lot of Bob's inspiration comes from deep thinking while in his sanctuary - a place called Ashley reservoir located in western Massachusetts. The book cover is in fact a photograph of a wooded path in this beautiful area. These poems are hard to read without having your heart stirred. Bob knows full well that the "Holy Spirit" is living inside of him and it is this Spirit that inspires his writing. His poetry will cause you to think, to wonder, to be thankful, and to experience some of the life that God has designed for you.

My Hope for You
There is beauty in this world. There is beauty in words. God is the Word! Words are important. My hope is that God will use this book to make a difference in your life, as he has so graciously done in mine.
