I thought I left it all behind; I thought I left *HIM* behind.

The arrogant, cocky jerk who lets his fists do the talking instead of his lips. The word “No” isn’t part of his vocabulary. His idea of fun involves breaking at least three different laws. Both the bane of my existence and the idol of my fantasies.

So imagine my surprise when I find out that my mom is about to marry his father.

Now he’s always around, practically naked as he flaunts his tattoo covered muscles in MY home, and peeling away my clothes bit by bit with his eyes…

I can’t let him get under my skin like this. I can’t let him push his way into my head. I can’t let his cocky grin tempt me into his bed.

I’m supposed to have a life far away from this town, far away from *him*.

So then how the hell did I end up here in his bed? Where the hell did my clothes go? And why the hell do I want more?

This is a full length standalone bad boy romance with a guaranteed HEA ending and NO CLIFFHANGER
