Stars and Stripes: The Story of the American Flag

Sarah L. Thomson, Bob Dacey, Debra Bandelin

Stars and Stripes: The Story of the American Flag Sarah L. Thomson, Bob Dacey, Debra Bandelin

Schools, parades, post offices, and the moon. These are just some of the places we see the American flag.

Fifty stars stand for the states that make up this country. Thirteen stripes remind us of the colonies that fought for their freedom. But the flag has not always looked the way it does today. Its history is as colored and rich as our country's past. Yet despite the ways the flag has changed in the past two hundred years, the pride, unity, and strength it inspires have never faltered.

STARS AND STRIPES: The Story of the American Flag invites readers to travel back in time and witness firsthand how our flag came to be.
