The Peter Matthiessen Reader

Peter Matthiessen

The Peter Matthiessen Reader Peter Matthiessen
"Our greatest modern nature writer in the lyrical tradition." --*The New York Times Book Review*

"Matthiessen is a great travel companion. . . . His knowledge of plants, animals and people is breathtaking." --*The Boston Globe*

Perhaps no writer has better articulated our relationship to the environment than Peter Matthiessen. From **Wildlife in America** to **Men's Lives**, his work has captured the wonder of the natural world--and the horrors of resource exploitation, with its violent effects on traditional peoples and the poor.

In **The Peter Matthiessen Reader**, editor McKay Jenkins presents a single-volume collection of this distinguished author's nonfiction. Here are essays and excerpts that highlight the spiritual, literary, and political daring so crucial to Matthiessen's vision. Matthiessen chronicles his 250-mile trek across the Himalaya to the Tibetan Plateau in a selection from the National Book Award winner **The Snow Leopard**. Wild peoples, wilderness, and wildlife--common themes throughout Matthiessen's oeuvre--are examined with grace and power in **The Tree Where Man Was Born**. Here too are excerpts from **Indian Country** and **In the Spirit of Crazy Horse**, Matthiessen's stunning exposé of the Leonard Peltier case and the ongoing conflict between the U.S. government and the American Indian Movement. Comprehensive and engrossing, **The Peter Matthiessen Reader** celebrates an American voice unequaled in its commitment to literature's noblest aspiration: to challenge us to perceive our world--as well as ourselves--truthfully and clearly.
