Thunderbolts of the Gods + DVD David Talbott & Wallace Thornhill
Thunderbolts of the Gods introduces the reader to a former age of planetary instability and earthshaking electrical events, and offers a revolutionary synthesis of historical investigation and the newly discovered Electric Universe. Solar system cosmic upheaval occurred so recently as to have profoundly affected early human cultures, provoking incomprehensible myths, symbols, and commemorative practices. Through a synthesis of ancient testimony, high-energy plasma experiments, and space age discoveries, the authors bring the ancient world to life. If their hypothesis is correct, it will surely alter many paths of scientific investigation as well. The little-known study of powerful electrical discharges in plasma is a new and exciting development in plasma cosmology , with profound implication for space age astronomy. To advance their case, the authors present side-by-side comparisons of laboratory plasma experiments and globally recurring symbols of the ancient sky. The evidence, they report, shows an ancient obsession with extremely violent electrical discharge formations in the heavens. Thunderbolts of the Gods is packaged with the 65-minute DVD, Thunderbolts - The Tutorial. This film introduces you to the key themes of the theory, and includes interviews with the principal figures in Electric Universe research.

Terry Kiser:

In this period globalization it is important to someone to acquire information. The information will make someone to understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of recommendations to get information example: internet, newspapers, book, and soon. You will see that now, a lot of publisher in which print many kinds of book. Often the book that recommended to your account is Thunderbolts of the Gods + DVD this reserve consist a lot of the information on the condition of this world now. This specific book was represented how can the world has grown up. The vocabulary styles that writer use to explain it is easy to understand. Often the writer made some research when he makes this book. That's why this book suited all of you.

Irene Gamino:

Many people spending their time frame by playing outside with friends, fun activity using family or just watching TV all day every day. You can have new activity to enjoy your whole day by examining a book. Ugh, do you think reading a book can actually hard because you have to take the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Smartphone. Like Thunderbolts of the Gods + DVD which is keeping the e-book version. So , why not try out this book? Let's view.

Marion Driskell:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Thunderbolts of the Gods + DVD can make you truly feel more interested to read.
