A year later, Javier discovers a mysterious cavity underground, far below Poseidon's tomb. The chamber is believed to be Zeus' tomb. Now, Jack and Javier set out on a harrowing quest to locate Zeus and his fabled crystal scepter. Their journey leads them through deadly booby traps, survival on the high seas, savage polar bears and a secret sect of dangerous men that will stop at nothing to obtain the power of the scepter.

Their adventure takes them to the icy plains of Greenland where they learn the secret history of Poseidon and Zeus: who they were and where they came from. As the mystery unfolds, the answers are far more than they bargained for and leave the two fighting for their lives.
