Obscurity Fighter

Matt A Crane

Obscurity Fighter Matt A Crane
Obscurity Fighter is an original pixel art webcomic. It’s about a group of obscure fighting game characters from the 1990s who are struggling to get their arcade game into the spotlight of modern gaming. Written and illustrated by Matt Crane/gavacho13 (who has garnered some notoriety on the interwebz for his Sesame Street Fighter illustrations), this book contains the entire Obscurity Fighter comic series as well as bonus pages not found on the webcomic.

From reader reviews:

Robert Wilkerson:

Book is usually written, printed, or created for everything. You can learn everything you want by a reserve. Book has a different type. As it is known to us that book is important factor to bring us around the world. Next to that you can your reading proficiency was fluently. A guide Obscurity Fighter will make you to possibly be smarter. You can feel far more confidence if you can know about everything. But some of you think that open or reading some sort of book make you bored. It is far from make you fun. Why they can be thought like that? Have you seeking best book or acceptable book with you?

Larry Devries:

Information is provisions for people to get better life, information nowadays can get by anyone on everywhere. The information can be a know-how or any news even restricted. What people must be consider whenever those information which is from the former life are hard to be find than now's taking seriously which one is acceptable to believe or which one often the resource are convinced. If you obtain the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take Obscurity Fighter as the daily resource information.

Earnest Koontz:

This Obscurity Fighter is great reserve for you because the content and that is full of information for you who else always deal with world and have to make decision every minute. This kind of book reveal it data accurately using great plan word or we can point out no rambling sentences inside it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but tough core information with attractive delivering sentences. Having Obscurity Fighter in your hand like finding the world in your arm, facts in it is not ridiculous 1. We can say that no reserve that offer you world within ten or fifteen tiny right but this book already do that. So , this can be good reading book. Heya Mr. and Mrs. active do you still doubt that will?

Paul Mendosa:

Many people spending their time by playing outside having friends, fun activity together with family or just watching TV the whole day. You can have new activity to pay your whole day by looking at a book. Ugh, do you think reading a book really can hard because you have to bring the book everywhere? It fine you can have the e-book, taking everywhere you want in your Smartphone. Like Obscurity Fighter which is finding the e-book version. So , try out this book? Let's observe.
