Out in Culture: Gay, Lesbian and Queer Essays on Popular Culture (Series Q)

Out in Culture: Gay, Lesbian and Queer Essays on Popular Culture (Series Q)
Out in Culture charts some of the ways in which lesbians, gays, and queers have understood and negotiated the pleasures and affirmations, as well as the disappointments, of mass culture. The essays collected here, combining critical and theoretical works from a cross-section of academics, journalists, and artists, demonstrate a rich variety of gay and lesbian approaches to film, television, popular music, and fashion. This wide-ranging anthology is the first to juxtapose pioneering work in gay and lesbian media criticism with recent essays in contemporary queer cultural studies.
Uniquely accessible, *Out in Culture* presents such popular writers as B. Ruby Rich, Essex Hemphill, and Michael Musto as well as influential critics such as Richard Dyer, Chris Straayer, and Julia Lesage, on topics ranging from the queer careers of Agnes Moorehead and Pee Wee Herman to the cultural politics of gay drag, lesbian style, the visualization of AIDS, and the black snap! queen experience. Of particular interest are two "dossiers," the first linking essays on the queer content of Alfred Hitchcock's films, and the second on the production and reception of popular music within gay and lesbian communities. The volume concludes with an extensive bibliography—the most comprehensive currently available—of sources in gay, lesbian, and queer media criticism.
Out in Culture explores the distinctive and original ways in which gays, lesbians, and queers have experienced, appropriated, and resisted the images and artifacts of popular culture. This eclectic anthology will be of interest to a broad audience of general readers and scholars interested in gay and lesbian issues; students of film, media, gender, and cultural studies; and those interested in the emerging field of queer theory.
