She Me We (new size) (Volume 1) Karen D. Neal
Meet the beautiful Tonya and company that are use to drawing the attention of men wherever she go but unlike many women, the attention does not fascinate her. They are all dogs in her opinion and deserve what they get, that is they deserve what she gives them as unsuspecting men follow the beautiful lady home expecting to get to know her better. Tonya meets a young man in the local grocer and unlike many of the men that she meets, she is a little impressed by his swag and would like to get to know him better but has she met her match? Davin is a young handsome man that is focused on going into the local grocers one day to pick up a steak and beer for an evening of watching sports and talking jive with the fellows until he set eyes on the beautiful Tonya as she is walking into the store. He forgets all about the steaks, watching sports and the fellows as he follows her around the store for an opportunity to get her name and number. He has never had a problem getting to know any female that he set his sights on but could getting to know this young lady prove to be a mistake? Follow Tonya and Davin in this fast paced mini novella as the surprises unfold on each of them and you too will be hanging on the edge of your seats waiting to see how the drama unfolds.
