Xoe Meyers had a normal life. So she was stuck going to high school, and she only had a few friends to call her own. She liked her normal life. Things were about to change though, because there's a new guy in her small town, and he is anything but normal. Before Xoe can say, "Werewolf," her best friend's life is in peril, and Xoe's world is turned upside-down. Then, of course, there's Jason. Xoe doesn't trust him as far as she can throw him, and given that he's a vampire, she'd have to be able to catch him first.
