The Water Hole Graeme Base
"The Water Hole" is a fusion of counting book, puzzle book, storybook and art book. Graeme Base takes the reader on a journey of discovery, from the plains of Africa and the jungles of the Amazon to the woodlands of North America and the deserts of the Australian outback. As one rhino gives way to two tigers, with three toucans waiting in the wings, the tale unfolds on many levels. Page by page the numbers increase as the animals come to their water hole to drink. But at the same time, the cast of frogs frolicking by the water hole is diminishing. What is going on?
