I Am Not My Story: (And Neither Are You) (The I Am Series) (Volume 1) Aleta Mackey
This is my story, told from my point of view, and based on my experiences. It is at times horrific, graphic, and raw, but it is what happened, and I will not sanitize it to make it less than what it was. I must tell my story this way for you to fully grasp what I experienced, and more importantly, to know what I survived by the grace of God. This is not designed to shock, but to help those that have been through some of the same horrors to give them hope that they, too, can make it to the other side of their trauma. I am not my story, and neither are you!
