Moon Shadow (Vampire for Hire Book 11)

J.R. Rain

Moon Shadow (Vampire for Hire Book 11) J.R. Rain
Ten years ago, federal agent Samantha Moon was the perfect wife and mother, a typical soccer mom with a minivan and suburban home. Then the unthinkable happens, an attack that changes her life forever. And forever is a very long time for a vampire.

There’s something in the water. Something evil…

Now in MOON SHADOW (Vampire for Hire Book 11), private investigator Samantha Moon is hired to track down a purported lake monster that could wreak havoc on a tourism business. When Sam delves into the creature sightings that have spooked Lake Elsinore residents, she crosses paths with the case of two missing boys.

The police are stumped, and Sam and her werewolf lawyer boyfriend, Kingsley, team up to investigate both cases. And what lies beneath the surface of the lake is just the beginning for the paranormal abomination that has taken over Lake Elsinore. This is no legendary monster. Its diabolical evil spans centuries and even worlds—and it sets its sights on Sam’s loved ones...

As Sam and Kingsley pursue the truth, time is running out for the missing boys—and for someone she loves. Will Samantha Moon have to choose between them?

Acclaim for J.R. Rain and Samantha Moon

“J.R. Rain’s Samantha Moon, private investigator, is a vampire heroine to cheer for. The VAMPIRE FOR HIRE urban fantasy series has sparkling dialogue, quirky mystery, paranormal thrills and chills, fun romance and humor, and a great ensemble cast of characters. Get hooked with MOON DANCE and be swept away into the mystique of an unforgettable vampire P.I. saga.”
—Eve Paludan, bestselling author of the WITCH DETECTIVES series

“I enjoyed Moon Dance immensely. The protagonist, Samantha Moon, is a female vampire with a husband and children. Those predate her condition; six years ago, she was attacked by a vampire and rendered into one. Now she's trying to carry on with family and private eye business, and she's a feisty, skilled person, so is doing mostly okay. It is not a horror story; she buys animal blood to eat and doesn't generally prey on humans. But her husband has an increasing problem with her coldness—not of spirit, but of body. ‘You sicken me and scare the hell out of me,’ he tells her. ‘And when I touch you it’s all I can do to not gag.’ She replies, ‘Words every wife wants to hear.’ I love this! What makes it special are her character and nature.”
—Piers Anthony, bestselling author of the XANTH series

“J.R. Rain delivers a blend of action and wit that always entertains. Quick with the one-liners, but his characters are fully fleshed out (even the undead ones) and you'll come back again and again.”
—Scott Nicholson, bestselling author of the AFTER series

“Is it possible to redefine two genres in one book? I don't know, but J.R. Rain has left a lasting impression for the vampire and mystery genres.”

—P.J. Day, bestselling author of the WITCH MYSTERIES series

“Impossible to put down. J.R. Rain’s Moon Dance is a fabulous urban fantasy replete with multifarious and unusual characters, a perfectly synchronized plot, vibrant dialogue and sterling witticism all wrapped in a voice that is as beautiful as it is rich and vividly intense as it is relaxed.”
—April Vine, bestselling author of UNBOUND
