The Thoughts of a Brilliant Mind | Revealing Truth in Contradiction (The Sole Mind Book 1) SOL

This book serves as a mediator of transferred truth between old wisdom made anew. - SOL

The recollection of truth ever existential and necessarily essential. Choose a language, it speaks through many things. The progenitor of all things realized and not. Life itself will teach it to you as long as you speak the same language. It's self validation, for you is not capable of such things. The more you search outside of yourself, the emptier you'll find yourself. What's outside of this world, more empty space. Long since predated, the light is inside you. Even still you persist to exist, It's in the experience. Failing to desist, the wrong language, no matter how aged, will not lead to true understanding. How do I interpret your rhetoric? If you make love your avenue of choice, then you will receive matured prudence and discernment. I dwell beseeched by your speech. Have fun with life, don't just let it have fun with you. I ponder your palleted proposition. Spread the love, and it will return back to you tenfold. How do I capture the duality of worth and satisfaction? Focus on positivity. Leave alone what you cannot change. Be the master of yourself, then you will be unstoppable. Be alive, what makes us better than angels? We're not hermits...

Admire the madness.
