Thomas Aquinas's Summa Theologiae: A Guide and Commentary

Brian Davies

Thomas Aquinas's Summa Theologiae: A Guide and Commentary Brian Davies
Following a scholarly account of Thomas Aquinas's life, Davies explores his purposes in writing the *Summa Theologiae* and works systematically through each of its three Parts. He also relates their contents and Aquinas's teachings to those of other works and other thinkers both theological and philosophical. The concluding chapter considers the impact Aquinas's best-known work has exerted since its first appearance, and why it is still studied today. Intended for students and general readers interested in medieval philosophy and theology, Davies's study is a solid and reflective introduction both to the *Summa Theologiae* and to Aquinas in general.
