Things are about to heat up…

Brandi Vaughn wishes she could stand out. She'd do anything to get out from behind the shadow of her socialite family—which now includes Dani, her half sister, recently discovered to be the most powerful vampire known to their kind.

But Brandi is more extraordinary than anyone realizes. The fiery young vamp has a secret elemental power—an inner flame that she must keep under control so as not to reveal herself to the dangerous rogue vampire targeting exceptional talents like hers. But when two desperate followers of the Rogue attempt to kidnap Dani during her wedding ceremony, Brandi lets loose with a pyrotechnic display that doesn't go unnoticed…

As the vampire nation comes face-to-face with the threat of the Shade army, Brandi is caught in an emotional tug of war between the light and the dark. Torn between the affections of lovers from both factions, she will need to choose who to trust with her heart: a warrior or a rogue.
