A Rabbi Looks at Jesus' Parables Frank Stern
Intended to appeal to both Christians and Jews, A Rabbi Looks at Jesus' Parables is an introduction to the teachings of Jesus, and compares the similarities and differences in Jesus' thinking to other Jewish sources from first-century Palestine. Each chapter uncovers hidden messages within each of Jesus' parables, and discusses each parable within its first-century religious and historical context. The book attempts to build bridges of understanding between Christians and Jews by exploring the notion that we share a common history.
