ACSM's Health-Related Physical Fitness Assessment Manual American College of Sports Medicine

From the American College of Sports Medicine (ACSM), this text provides the reader with the information necessary to develop skills for assessing an individual's health-related physical fitness. It provides a practical "how-to-do-it" approach for performing assessment skills effectively, and an understanding of the theory behind and the importance of each skill or assessment. This edition has a new chapter on postural analysis and body alignment assessments, new photographs of key assessments and techniques, and updated references to **ACSM's Guidelines for Exercise Testing and Prescription, Seventh Edition**.
