McGraw-Hill Connect is a digital teaching and learning environment with a fully interactive eBook that saves students and instructors time while improving performance over a variety of critical outcomes. Connect offers rich content, abundant assignment types, and flexible policy options along with powerful study tools that adapt to individual student understanding and need. Connect can generate a number of powerful reports that let you quickly review the performance of an individual student or an entire class.

LearnSmart uses revolutionary adaptive technology to build a learning experience unique to each student's individual needs. It starts by identifying the topics a student knows and does not know. As the student progresses, LearnSmart adapts and adjusts the content based on his or her individual strengths, weaknesses and confidence, ensuring that every minute spent studying with LearnSmart is the most efficient and productive study time possible.
