Ethereal Queer: Television, Historicity, Desire

Amy Villarejo

Ethereal Queer: Television, Historicity, Desire Amy Villarejo
In *Ethereal Queer*, Amy Villarejo offers a historically engaged, theoretically sophisticated, and often personal account of how TV representations of queer life have changed as the medium has evolved since the 1950s. Challenging the widespread view that LGBT characters did not make a sustained appearance on television until the 1980s, she draws on innovative readings of TV shows and network archives to reveal queer television's lengthy, rich, and varied history. Villarejo goes beyond concerns about representational accuracy. She tracks how changing depictions of queer life, in programs from *Our Miss Brooks* to *The L Word*, relate to transformations in business models and technologies, including modes of delivery and reception such as cable, digital video recording, and online streaming. In so doing, she provides a bold new way to understand the history of television.
