The Essential Oil Truth: The Facts Without the Hype Jen O'Sullivan
When it comes to essential oils, it seems that everything is always one-sided, usually with a major slant toward one specific brand. There is a lot of misinformation, speculation, and assumption going around, as well as a lot of bad advice given by people who never did their research. This book comes at it from a neutral perspective, without all the hype, in hopes to dispel some of the myths and rumors about essential oils. The Essential Oil Truth will help you gain a greater understanding of the true nature and beauty of essential oils and their proper use for your everyday life.
