This Promotional Copy of Chapter Six - The Glorified Son of God – is distributed without charge as the subject is non-denominational, applying to all believers and those interested in knowing more about Jesus. John's Revelation is considered an enigma… a perplexing puzzle… seemingly written without a key to its interpretation. Questioned by most early Church fathers, yet accepted as truth and added to the Canon, it remains an enigma today. However, Daniel was told the future will remain hidden and sealed until the time of the end. This time of the end (or end days) is not the end of the world, but the end of an age. The next age on God's revealed calendar is the time of Tribulation, followed by the Kingdom Age promised to David. This series of eight reveals John's Revelation from the Greek, supplement with prophecies mostly from Daniel, distributed to allow sampling one eBook - so to speak - before deciding on additional purchases. [The promotional period provided by Kindle is limited to one week every 90 days. Purchasing outside of this window for the $0.99 charge will be off-set by registering on the Publisher's website, receiving a discount code for the $0.99 against any other purchase. See details on Publisher's website. Thank you.]
