To Die for the People

Huey Newton

To Die for the People Huey Newton

Long an iconic figure for radicals, Huey Newton is now being discovered by those interested in the history of America’s social movements. This new release of a classic collection of his writings and speeches traces the development of Newton’s personal and political thinking, as well as the radical changes that took place in the formative years of the Black Panther Party. More than just a historic record, Newton’s prescience and foresight make these documents strikingly pertinent today.

Huey Newton was the founder, leader, and chief theoretician of the Black Panther Party, and one of America’s most dynamic and important revolutionary philosophers.
