Suzi knew that her mom's new man had been watching her.
Every time she turned around she could feel his eyes, tasting every curve of her fit, young body.
But Suzi was about to get way more than she bargained for.

She thought she was safe, toying with the men online and performing on her webcam.
None of them could ever know who she **really** was, right?
But the man-of-the-house was going to discover just what she had been up to.
And he wasn't angry.
In fact, this was just what he had been waiting for, and he was going to teach this **dirty** little girl right from wrong.
And she was going to **love** every second of it!!

*****This erotic short story contains graphic descriptions of sexual acts between a naïve, inexperienced girl and the head-of-the-house*****
Nothing is taboo as these two embark on a forbidden night of taboo passions which is a must read.
Only persons of 18+ years should purchase this story, and if you are over 18 you HAVE to read what goes on inside. You won't be left "disappointed", I promise xxx

Unfortunately, due to the graphic nature of this subject, Amazon will not permit me to print a sample excerpt here, but where available you can click on "look inside" and get a small taste of exactly what Suzi has to offer her man.
