RMT EXAM GUIDE:WALK THROUGH BL CMT Rebecca McSwain PhD
Written under AHDI's new exam blue print for the Registered Medical Transcriptionist (RMT) exam, this text provides a structured approach to understanding the cognitive assessment (multiple-choice) domains for the exam. For each Level 1 objective, users will find: Identification, explanation, and a rationale for the competency being defined by the objective. Recommended resources, including chapters and sections, for focused study of objective content. Sample questions in exam style and format for orientation and practice. In addition, the text provides a 91-question multiple-choice practice test to assist candidates with self-assessment and domain analysis. The Appendix houses a blue print check list and other resources.
