It seems strange to consider: The Creator of the universe is at war with one of his own creatures. The cosmic battle with evil is real, however, and spilling over into the lives of unsuspecting dwellers here on earth.

In this evangelically friendly approach to spiritual warfare, Richards describes the invisible war raging around us. Through careful analysis and exceptional scriptural insight, he exposes the origin of evil, the demonic hierarchy, and Satan's current strategies. Richards then helps God's people go on the offensive. This revealing look at deliverance will help even the most cautious believers participate in Jesus's victory and move confidently to defeat the power of darkness in their own lives.
