The Adventure of Huff and Puff Paul Vakerics II
Adventures happen in all our lives. Adventures are fun. Some adventures are dangerous. Adventures take courage. All adventures open a better view of self.

In a world of children, a good guy is a hero and a bad guy is a bully. In this story, there are both heroes and bullies.

You will not be surprised at what bullies do to change everybody and everything. But, you will be surprised at what the heroes do to change everybody and everything. The courage and action of one hero will especially surprise you.

This takes place during four holidays and one precious time for children called summer vacation. All the story needs is you. Do you have the courage?

Before I forget, Huff and Puff asked me to invite you to join them on their adventures. They promise that, on the way, there will be many smiles, too. Puff told me that all you need to bring is a BIG SMILE and a basket full of courage. Puff has a basket for everything.
