The Scandal of Evangelical Politics: Why Are Christians Missing the Chance to Really Change the World?

Ronald J. Sider

The Scandal of Evangelical Politics: Why Are Christians Missing the Chance to Really Change the World? Ronald J. Sider
Evangelicals today probably have more political influence in the U.S. than at any time in the last century--but they may not be certain what to do with it. It has been difficult to develop a unified voice on pressing issues such as social justice and moral renewal. *The Scandal of Evangelical Politics* provides evangelical Christians with a systematic political philosophy to guide and sustain political activism. Soundly based in biblical principles and guided by a careful study of society, this book will guide readers into more thoughtful and effective political activity.
Practical, balanced, and nonpartisan, *The Scandal of Evangelical Politics* will be a welcome resource during the race for the 2008 presidential election.
