*One moment*
*will change their friendship forever...*

Widow Isobel Sinclair knows it's time to move on, and she believes the next chapter in her life involves a baby. All she needs is a man to help her with the finer details. Unfortunately, right now the only man in her life is her husband's best friend, Rafael Sanchez. And an incredibly wealthy, super-hot player is not *exactly* family material.

That's okay since she wants a baby sans the husband part.

Billionaire playboy Rafael has carefully hidden his longing for Isobel over the years. He's wanted her from the moment they met. When desire sparks between them, Rafael faces a choice beyond imagining: give Isobel what she wants...or lose her forever. He has a good reason why a child can't be in his future, but telling Isobel the truth could destroy everything.
