Daring Karma (Threads of Fate Book 2)

Mia Caldwell

Daring Karma (Threads of Fate Book 2) Mia Caldwell
This is a complete novella, with a happy ending and no cliffhangers.
For six months, Karma and Nash have carried on a relationship via text after one night together. When he dares her to come to him in New York, she surprises herself by accepting. She has three weeks with him, and at first, that seems like enough. It isn't long before they both start feeling more than they had expected, but can there be more between a small-town Kansas girl and a commitment-shy New Yorker?

This is the second and final book in the "Threads of Fate" series. Chasing Destiny is the first, but the books can be read independently or in either order, though it's recommended you read Destiny's story first.

PLEASE NOTE THIS IS A NOVELLA, NOT A LONGER NOVEL. THANKS!
