Weekend with the Tycoon

Wealthy business tycoon Blake Putnam isn't looking for love, he just needs a date for a family wedding he's dreading. Alpha male to the core, Blake's idea of being a man leaves little room for emotional connection. He comes up with the perfect solution to the dreaded wedding: he'll find a controllable date. He has everything planned to perfection.

Samantha Jones agrees to spend the weekend with the hot boss. She's attracted to him, but she's sworn off men after her embarrassing recent break up. She's determined to ignore the attraction and focus on business when he hands her an opportunity to be part of the biggest business pitch in Blake Genetics' history. It could change everything. She's not looking for love, she won't jump off that cliff again.

What neither of them expected was the weekend to take flight. Is this a risk they're willing to see through to the end?

Her Forbidden Love

Stepping off the ferry onto Indigo Island for her new job at Melrose Inn, Dorsey Pittman, is excited to have a fresh start, far from heartbreak and tragedy. Signing the no romantic relationship with staff clause is easy, as Dorsey's determined to focus on her career and not romance, but every time the resort's tall, handsome and oh so sexy lifeguard, Jack Means, is close, sparks fly.

Jack Means has secrets of his own and is only lifeguarding at Melrose Inn to ensure his advancement at Top Corp, where he's in line for a management position. But it's hard to remember why he's signed the no romantic relationship clause, when Dorsey Pittman arrives on the island. For promises to stick out one more summer of life guarding before attaining his dream. She's beautiful, adventurous, and impossible to ignore—but dating her could get him fired. Can Jack keep it casual and walk away from love when Dorsey might be the one woman who can hold, and heal, his heart?

The Trouble with Christmas

Cole Stanton is burned out. His high-paced, successful career has left him yearning to start over. He finds Indigo Island, buys a restaurant and settles into an uncomplicated life. But Christmas is a mess, and is over his head. He finds himself longing for everything he has left behind, until a chance encounter with gorgeous Lily offers a spark of salvation to his business, and perhaps his life.

Pastry chef Lily Edmonds is thirty years old and heartbroken. It's just before Christmas and she's just been dumped by via telephone by her fiancee. Her best friend Avery Putnam invites her to Indigo Island. A chance encounter with the sexy owner of a local restaurant makes Lily feel an attraction she thought she'd never feel again, and offers her a business challenge to keep her mind focused on something other than her broken heart.

Will the joy of the holiday season bring them together or will the troubles with Christmas push them apart?

The Billionaire's Bid

Handsome tycoon James Putnam is acting CEO of his family's logging company, Putnam Industries. He needs to land a big deal to prove to the board he's capable of taking over the company. If not, his father's right-hand-man Walter is more than willing to fill the role. James hurries to Indigo Island alone, certain he has what it takes to land the deal.

Aubrey Templeton is a magazine reporter facing a mountain of debt after her parents' tragic deaths. The only asset she has to leverage is 2,500 acres of land on Indigo Island. She hires Dirk Cooley, a forester, to create a forest management plan for her family's land and to solicit multiple logger bids to lease the land. Aubrey makes sure James Putnam's company is included. Aubrey and James shared a night she'll never forget and she's certain, once he sees her, he'll want a repeat as much as she does.

Will they recognize the common roots that lead to love?
