**Multiple Choice** Janet Tashjian
For as long as Monica Devon can remember, she has been two things: a whiz at making anagrams, and a perfectionist who spends most of her time obsessing about saying and doing the right thing. Now at fourteen, Monica's compulsive habits have spiraled out of control. Seeing no other way out, she creates Multiple Choice, a game that will force spontaneity into her life, and, she hopes, free her from her obsessions. It seems so easy--create a list of options, choose a Scrabble tile, and carry out the act. At first the game is exciting and somewhat liberating. But soon it starts to go devastatingly wrong. Fortunately for Monica, help is closer than she thinks.
