Catherine Bybee

No exactamente una cita (Serie No exactamente...) (Spanish Edition) Catherine Bybee

Llega la primera novela de la deliciosa serie *No exactamente...* de Catherine Bybee, autora de grandes éxitos de venta reconocidos por las listas del *New York Times*, *USA Today* y el *Wall Street Journal*. Jessica Mann es una camarera y madre soltera práctica hasta el exceso. Incluso si tuviera tiempo de salir con hombres, y no es el caso, buscaría decididamente darle a su hijo una infancia más sólida de la que tuvo ella, lo que significa un marido con mucho dinero.

Cuando Jack Morrison, un cliente sexy y aparentemente pobre, poseedor de un sombrero de *cowboy* y una sonrisa seductora, intenta coquetear con ella, Jessie lo rechaza de plano. Duda de que un soñador despreocupado como Jack pueda proporcionarle la estabilidad financiera que ella necesita. Pero faltan pocas semanas para la Navidad, Jessie no quiere pasarla sola y le cuesta cada vez más resistirse al encantador tejano.

From reader reviews:

Antione Wilson:

Nowadays reading books be than want or need but also become a life style. This reading addiction give you lot of advantages. The advantages you got of course the knowledge even the information inside the book which improve your knowledge and information. The data you get based on what kind of publication you read, if you want send more knowledge just go with education books but if you want truly feel happy read one together with theme for entertaining like comic or novel. The actual No exactamente una cita (Serie No exactamente...) (Spanish Edition) is kind of e-book which is giving the reader erratic experience.

Daniel Kirk:

So that you can see the represented of the world with this book.

Lorenzo McAvoy:

Spent a free time to be fun activity to complete! A lot of people spent their spare time with their family, or their friends. Usually they doing activity like watching television, gonna beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your own personal free time/ holiday? Can be reading a book might be option to fill your free of charge time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to consider look for book, may be the guide untitled No exactamente una cita (Serie No exactamente...) (Spanish Edition) can be great book to read. May be it could be best activity to you.

Stacy Perry:

As a scholar exactly feel bored to be able to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this No exactamente una cita (Serie No exactamente...) (Spanish Edition) can make you truly feel more interested to read.
