Pedro Martinez, Michael Silverman

Pedro Pedro Martinez, Michael Silverman
A bold, no-holds-barred memoir from one of the most dominant and dynamic pitchers to ever play the game

Before Pedro Martinez was the eight-time All Star, three-time Cy Young Award winner, and World Series champion, before stadiums full of fans chanted his name, he was just a little kid from the Dominican Republic who sat under a mango tree and dreamed of playing pro ball. Now in *Pedro*, the charismatic and always colorful pitcher opens up for the first time to tell his remarkable story.

Martinez entered the big leagues a scrawny power pitcher with a lightning arm who they said wasn't "durable" enough, who they said was a punk. But what they underestimated about Pedro Martinez was the intensity of the fire inside. Like no one before or since, Martinez willed himself to become one of the most intimidating pitchers to have ever played the game.

In *Pedro* we relive it all in Technicolor brightness, from his hardscrabble days in the minor leagues clawing for respect; to his early days in lonely Montreal, where he first struggled with the reputation of being a headhunter; to his legendary run with the Red Sox when start after start he dazzled with his pitching genius; to his twilight years on the mound as he put the finishing touches on a body of work that made him an icon.

Bold, outspoken, intimate in its details, and grand in ego and ambition, this new memoir by one of baseball's most enigmatic figures will entertain and inspire generations of fans to come.

From reader reviews:

David Veal:

What do you about book? It is not important with you? Or just adding material if you want something to explain what your own problem? How about your free time? Or are you busy individual? If you don't have spare time to do others business, it is make one feel bored faster. And you have free time? What did you do? Every person has many questions above. The doctor has to answer that question since just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is appropriate. Because start from on pre-school until university need this particular Pedro to read.

Bertha Underwood:

Reading a reserve tends to be new life style in this era globalization. With studying you can get a lot of information that will give you benefit in your life. Using book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Many author can inspire all their reader with their story or even their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on this planet always try to improve their expertise in writing, they also doing some analysis before they write to their book. One of them is this Pedro.

Ryan Fox:

This Pedro is great e-book for you because the content that is full of information for you who always deal with world and get to make decision every minute. This particular book reveal it information accurately using great manage word or we can claim no rambling sentences inside. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tough core information with attractive delivering sentences. Having Pedro in your hand like finding the world in your arm, info in it is not ridiculous 1. We can say that no e-book that offer you world within ten or fifteen tiny right but this guide already do that. So , this is good reading book. Hello Mr. and Mrs. stressful do you still doubt which?

Barbara Kyle:

Is it you actually who having spare time after that spend it whole day by means of watching television programs or just lying down on the bed? Do you need something new? This Pedro can be the reply, oh how comes? A book you know. You are therefore out of date, spending your extra time by reading in this brand-new era is common not a geek activity. So what these publications have than the others?
