Richard Hooker and Reformed Theology: A Study of Reason, Will, and Grace (Oxford Theology and Religion Monographs) Nigel Voak
Richard Hooker (1554-1600) is one of the greatest theologians of the Church of England. In the light of fierce recent debate, this book argues vigorously against the new orthodoxy that Hooker was a Reformed or Calvinist theologian. In so doing it considers such central religious questions as human freedom, original sin, whether people can deserve salvation, and the nature of religious authority.
