The Beauregarde Affair Brian M. Talgo
~Growing upside down in the Nineteen-Seventies~

A slice of life from a time gone by, a story of youthful folly, of stumbling cluelessly into the gaping maw of the age of Aquarius and living to tell the tail. Um, tale.

A transplanted Yankee longhair living in nineteen-seventy-something Atlanta, young Mr. T finds himself wrestling with naked commie roommates, toothless rednecks, flatulent dogs, .357 Magnum-toting silversmiths, Indian fox-spirits, conniving neighbors, hot Swedish blondes, rubber ape masks, freak snowstorms and basically the world at large.

Mr. T and his wastrel buddies inhabit a dilapidated Tudor on Morningside Drive, the best side of town. Blots on the landscape, they go about their idle hipster ways with slacker abandon. But there's change in the wind and Beauregarde, a hognose snake with appetite issues, is headed their way. Beauregarde's entrée into the wayward household heralds the impending collapse of the collective as well as the beginning of the end of a wild and crazy decade. For Mr. T it's all turning into one big fat nasty hassle, a hassle that he is haplessly doing his best to avoid. Surrounded by the lunacy of his so-called friends, foes, neighbors and a Noah's Ark of incarcerated animals, he'll be lucky just to make it through the month.

Reading like a post-pubescent stateside Adrian Mole on 'shrooms, this is a ribald tale of hipster youth in 1970's America, the way it really went down.

From reader reviews:

Michael Jackson:

Book is usually written, printed, or highlighted for everything. You can realize everything you want by a guide. Book has a different type. As it is known to us that book is important matter to bring us around the world. Beside that you can your reading talent was fluently. A reserve The Beauregarde Affair will make you to be smarter. You can feel considerably more confidence if you can know about everything. But some of you think in which open or reading any book make you bored. It is far from make you fun. Why they might be thought like that? Have you trying to find best book or suited book with you?

Deborah Mazzarella:

As people who live in the actual modest era should be revise about what going on or details even knowledge to make these people keep up with the era that is certainly always change and progress. Some of you maybe will update themselves by examining books. It is a good choice for you but the problems coming to an individual is you don't know which one you should start with. This The Beauregarde Affair is our recommendation to cause you to keep up with the world. Why, because book serves what you want and need in this era.

James Rodriguez:

Playing with family inside a park, coming to see the water world or hanging out with friends is thing that usually you could have done when you have spare time, in that case why you don't try thing that really opposite from that. Just one activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love The Beauregarde Affair, you can enjoy both. It is good combination right, you still wish to miss it? What kind of hang-out type is it? Oh seriously its mind hangout people. What? Still don't understand it, oh come on its called reading friends.

Samara Reed:

The Beauregarde Affair can be one of your nice books that are good idea. We recommend that straight away because this e-book has good vocabulary that will increase your knowledge in vocab, easy to understand, bit entertaining but still delivering the information. The article writer giving his/her effort to put every word into pleasure arrangement in writing The Beauregarde Affair however doesn't forget the main level, giving the reader the hottest along with based confirm resource facts that maybe you can be considered one of it. This great information can easily drawn you into fresh stage of crucial contemplating.
