The Original Sex Gates Darrell Bain
THE ORIGINAL SEX GATES NOVEL This is the Sex Gates novel as originally written by Darrell Bain alone. It has a completely different ending, and it contains one more major character and several more supporting ones. In this original version, all questions are answered and all issues resolved in this one book. It is being published now in response to all the fan mail and interest the trilogy generated?and continues to generate. The Sex Gates has already become a science fiction cult classic and this book should be a significant addition to the sex gates universe. Author's Note I wrote The Sex Gates in 1993 at a frenzied pace, completing the first draft in one month flat. In looking over my original novel and the one ten years later which includes Jeanine Berry as a collaborator, I am unable to judge which version I like best. That is for readers to decide. I can only say that going back over the old manuscript helped me recapture most of the original emotion and intensity with which I first got this notion into novel form. When I revisited The Original Sex Gates, I was reminded of the two versions of Arthur C. Clark's grand stories, Against The Fall Of Night and The City And The Stars. I have been reading both versions over and over for many years and continue to enjoy both of them to this day. I sincerely hope you can do the same with the two different versions of The Sex Gates.
