The Pursuit of Happiness: Evolving a Soul William J. O'Malley
The soul reflects the core of our personal existence-our whole living being. And what do we find when we seek within? In The Pursuit of Happiness, author and novelist William O'Malley provides a prescription for changing our lives and for making better choices. With his trademark wit and wide use of metaphor, O'Malley invites readers to wander around in the humanity we share and which each person possesses in a way no one else has experienced. This book invites people to accept their unique story and to integrate it with a wider history. Who and what am I? How do I fit into all this? What will fulfill the one life I have to live, and how do I deal with all the other human beings with whom I share it? What is keeping me from being happy right now?
