This is Mom’s portable personal assistant, packed with organizational punch and perfectly sized for a purse or tote. On the right- hand side of each weekly spread, *Mom’s Family Desk Planner* features a roomy grid with two write-in columns—one for Mom’s schedule and one for the rest of the family’s. On the left-hand side is a full-color illustration that’s joyfully, inimitably Boynton: piggies in bathing suits, grinning cats, hippos doing calisthenics, rock-star chickens. Running a full 17 months, it’s guaranteed to keep Mom on her toes (with a big smile on her face).
