Amy was an ordinary woman working at a marketing firm until she became the sole witness to a crime family murder and was forced into hiding. After changing her name to Becka and taking a job as a waitress in the middle of nowhere, she still can’t seem to stay out of trouble.

Will Amy ever feel safe again?

Liam has a lot to worry about as a wolf shifter living in a world that hates his people. As a spy for his village, he often takes on the false identity of a drifter to eavesdrop on nearby militia groups to ensure that his community is safe from outside threats. His rule is to find out and get out without becoming involved. That rule goes out the window when he sees a woman with the power to melt his heart walk right into a dangerous situation.

Come join Amy and Liam as they fall in love and fight to stay alive. Saved by the Wolf is a standalone story with a HEA and ZERO Cliffhangers.
