Mark DeSanto has never denied himself anything—especially in the bedroom. Rich, attractive, and successful, men envy him and women desire him. But when a sweet, guileless beauty faints at his feet, he suddenly finds himself wondering if it’s time to look for something more lasting....

Until her divorce, Crystal Webber never knew what it was like to follow her heart. Now she wants to experience all life has to offer. So when she catches a glimpse of Mark DeSanto in the halls of Danvers International, she’s instantly infatuated—and eager to join him for a walk on the wild side. Fainting at his feet wasn’t her plan, but at least it got his attention....

But for the first time, Mark wants to take things slow, which—considering the electricity between them—may take far more willpower than he’s ever had.
