The Outsiders

S. E. Hinton

The Outsiders S. E. Hinton
The 45th anniversary of a landmark work of teen fiction

Ponyboy can count on his brothers and his friends, but not on much else besides trouble with the Socs, a vicious gang of rich kids who get away with everything, including beating up greasers like Ponyboy. At least he knows what to expect--until the night someone takes things too far.

Written forty-five years ago, S. E. Hinton's classic story of a boy who finds himself on the outskirts of regular society remains as powerful today as it was the day it was written.
