Best Breakfast & Brunch (Something Else Publishing eCookbooks) Something Else Publishing
It’s been said that breakfast is the most important meal of the day, but I’d argue it’s the most satisfying too. There’s nothing like a relaxed breakfast to bring a family together or to give you the nutrition you need to face a busy day.

The recipes in this eCookbook are versatile enough to be served at other times—an omelet for lunch, a healthy smoothie for a quick afternoon pick-me-up, a quiche for dinner, or cappuccino pancakes for dessert.

Or, if you’re a fan of combing two meals into a brunch, then this eCookbook will provide you with more than forty recipes to choose from when planning your menu, including:
- an Italian omelet
- baked French toast
- sour cream blueberry muffins
- homemade muesli
- an apple Pie Smoothie
- a way to design your own quiche
- and diner-style pancakes

Best Breakfast is the fourth title in the eCookbook series by Something Else Publishing.
