Sex, Drugs, Rock & Roll

Eric Bogosian

Sex, Drugs, Rock & Roll Eric Bogosian
"Mr. Bogosian is a hilarious wit: there is one line after another that you will quote to friends. He is a born storyteller with perfect pitch for the voices of various ethnic, racial and economic backgrounds. Using every powerful means available to a theatre artist, he shakes the cages of a complacent country engulfed by homelessness to ask just exactly who, if anyone, is home." -Frank Rich, *New York Times*

"Greatly and bilaterally talented... spiky, stinging, caustic without cauterizing. And funny." -John Simon, *New York Magazine*

"Scabrously funny... a dervish of a performer, ricocheting off the walls of the male psyche." *-Boston Phoenix*

Eric Bogosian is one of our most innovative and provocative artists, with a unique gift for portraying the currents and idioms of contemporary society. The monologues in *Sex, Drugs, Rock & Roll* form a composite picture of the complex, sometimes alarming state of American culture in the 1990s.

One of America's premier performers and most innovative and provocative artists, Bogosian's plays and solo work include *suburbia* (Lincoln Center Theater, 1994; adapted to film by director Richard Linklater, 1996); *Sex, Drugs, Rock & Roll*, *Pounding Nails in the Floor with My Forehead*; *Griller*; *Humpty Dumpty*; *1+1*; *Skunkweed*; *Wake Up and Smell the Coffee*; *Drinking in America*; *Notes from Underground* and *Talk Radio* (Pulitzer Prize finalist; New York Shakespeare Festival, 1987; Broadway, 2007; adapted to film by director Oliver Stone, 1988). He has starred in a wide variety of film, TV and stage roles. Most recently, he created the character of Captain Danny Ross on the long-running series *Law & Order: Criminal Intent*. In 2014, TCG published *100 (monologues)*, a collection that commemorates thirty years of Bogosian's solo-performance career.

From reader reviews:

Floyd Goshorn:

What do you think about book? It is just for students since they're still students or the item for all people in the world, exactly what the best subject for that? Merely you can be answered for that concern above. Every person has several personality and hobby per other. Don't to be pushed someone or something that they don't wish do that. You must know how great in addition to important the book Sex, Drugs, Rock & Roll. All type of book is it possible to see on many sources. You can look for the internet resources or other social media.

Coleman Jones:

Would you one of the book lovers? If yes, do you ever feeling doubt when you find yourself in the book store? Try and pick one book that you never know the inside because don't determine book by its handle may doesn't work at this point is difficult job because you are afraid that the inside maybe not because fantastic as in the outside seem likes. Maybe you answer may be Sex, Drugs, Rock & Roll why because the great cover that make you consider in regards to the content will not disappoint you actually. The inside or content is actually fantastic as the outside as well as cover. Your reading sixth sense will directly guide you to pick up this book.

Peggy Ross:

That publication can make you to feel relax. This specific book Sex, Drugs, Rock & Roll was multi-colored and of course has pictures around. As we know that book Sex, Drugs, Rock & Roll has many kinds or style. Start from kids until teens. For example Naruto or Private investigator Conan you can read and feel that you are the character on there. So , not at all of book usually are make you bored, any it can make you feel happy, fun and relax. Try to choose the best book for you personally and try to like reading that will.

Rebecca Walton:

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's internal or real their pastime. They just do what the educator want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Sex, Drugs, Rock & Roll can make you experience more interested to read.
